WHO WE ARE

SOS Children's Villages Illinois (SOSCVI) is a nonprofit child welfare and foster care agency. We are dedicated to providing a safe, healing place for children whose world has been shattered by abuse, neglect or abandonment. We do this by keeping brothers and sisters together in the care of **full-time, professionally-trained Foster Parents** in our Village communities.

WHO WE ARE LOOKING FOR

For SOSCVI Foster Parents theirs is not just a full-time job, it's a full-time vocation as caregivers to children in need. We are in **immediate need** of compassionate and **committed** individuals who believe in our **mission** and are **dedicated** to fulfilling it.
